

# Teaching Summary

Stephan Dochow-Sondershaus

Mail: stdo@soc.ku.dk

I seized multiple opportunities to gain teaching experiences. Among other things, I taught and prepared a full-semester university lecture, a full-semester seminar, co-taught a full-semester seminar (see Table 1), and supervised Master theses (see Table 2).

Table 1: Courses taught, class size is based on the number of regularly participating students.

Period	Title	Form	Level	ECTS	No. Sessions	Language	Class size	Role
2023/2024, Winter	Statistical Panel Models: Recent Developments in Difference-in-Differences and Fixed-Effects	Classroom seminar	MA	10 ECTS	6 (x 5h)	English	8	Teacher, class design, material preparation, grading of final term papers
2022, Summer	Societal polarization in a comparative perspective, Freie Universität Berlin	Classroom seminar	MA	5 ECTS	14	English	14	Teacher (in tandem with Céline Teney), class design (together with Prof. Céline Teney), material preparation, grading of final essays
2019/2020, Winter	Sociology of Migration, University of Bamberg	University Lecture	BA	5 ECTS	15	German	70	Teacher, class design, material preparation, exam preparation and evaluation
2019, June 3	Causal Inference with Panel Data - assumptions, merits and drawbacks (Lecture at BIGSSS Computational Social Science Summer School on Migration)	Workshop lecture	all levels	-	1	English	30	Teacher
2019, Summer	International comparison of social structure (session on “Income, wealth and poverty”)	University Lecture (Guest lecture)	BA	-	1	German	90	Teacher
